Complete CAD/Rendering Program with
Full Complement of 3D Drawing Tools

Easy to use. Just type WIZ

Dear Customer,

Thank you for considering the purchase of one of the new and very exciting range of SHAREWARE games available at CLINTS CRAZY BARGAINS.

IMPORTANT: The hardware requirements are specified on the cover of this package;
To install the software, follow either instructions 1) or 2) below:

1) If your 3.5" drive is A follow this:
Simply change to drive A by typing

A: (Press ENTER)
you should be able to see A:\
Type in
WIZ (Press ENTER)

2) If your 3.5" drive is B then follow this:
Simply change to drive B by typing

B: (Press ENTER)
you should be able to see B:\
Type in:
WIZ (Press ENTER)

In both cases, choose option (I) to install the software. During the installation two questions will be asked:
For the first question, answer A if you followed instruction (1) and B if you followed (2)
For the second question answer C (or the appropriate letter for your hard drive)

To run the software:
At the end of the installation a message will appear showing the steps to start the software
Make a note of the instructions for later use.

********** Customers Please Note **********

The seal on this package is to certify that the program enclosed is VIRUS FREE, so check that the seal is not broken. Clints Crazy Bargains staff will not sell a disk that is an unsealed packet. Any faulty disk can be returned to the place of purchase for swapping with another disk of the SAME title.

NO SWAPPING FOR OTHER TITLES WILL BE PERMITTED

A cash register docket is ESSENTIAL to effect any exchange. We cannot recognise any claim without a docket as proof of purchase.
